

# Surrogacy Plans

## Newgen FAMILIES

We look forward to getting to know you as you embark on the incredible journey of welcoming a beautiful baby into your family!

Welcome to NewGen Families, your modern, inclusive, and friendly surrogacy agency, based in Nevada, USA. We're here to offer compassionate guidance, education, and support to all intended parents, no matter who, or where you live in the world.

Our team consists of parents who have been through infertility, or a surrogacy journey themselves, so we know the path you're on and we're excited you're here.

## How our Colombian surragacy program works

## Beginning your surrogacy journey in Colombia is the start of a beautiful story for your family a unique and exciting path designed just for you.

Intended parents across the globe have been completing their families through Surrogacy in Colombia for many years, enjoying an affordable, safe, and well-coordinated journey.

Our Guaranteed Plans are designed to bring peace of mind and financial security to your journey. Our fee covers all essential services required to complete your family, and provides an unlimited number of clinical procedures (Surrogate matching, egg donor selection, IVF, embryo transfer, etc.) until the safe arrival of your beautiful baby.

We are committed to ensuring you are supported throughout your journey. With NewGen Families, you will have 24/7 support from our coordinators based in Australia and the USA.

We take the time to understand your needs, goals, and timelines and coordinate every step of your journey, allowing you to focus on the joy of expanding your family.

There are countless reasons to choose NewGen Families. Here are just a few...

### You are our number one priority

At NewGen, the entirety of our team share the same philosophy and mantra of 'Patient/Intended Parent/Surrogate first'. You are our focus, and we strive to provide you with the best and highest quality services at all times.

### Community

NewGen Families is all about building lifelong relationships. We cherish our Family catch-ups whether they are 1 on 1 meetings at a park, via Zoom or at group functions that we hold regularly in order to keep the NewGen Family connected.

#### Personal experience

The majority of our staff and partners have either undergone IVF treatment or completed a surrogacy journey themselves. Therefore, we understand the complexities and range of emotions experienced throughout each milestone along this beautiful and precious journey.

### LGBTQI & HIV+ intended parents

Newgen Families is not just about supporting the LGBTQI+ community, we are the LGBTQI+ Community. Our team has collective managed hundreds of rainbow family surrogacy journeys, and we know that building LGBTQI+ families is possible, because we have done it ourselves and want to help you do it too.

Professional experience

Collectively, our team and trusted partners have managed hundreds of IVF and surrogacy journeys, guiding Intended Parents every step of the way until they meet their newborns for the first time.

#### Around the clock support

Both our local USA and international teams offer 24/7 around the clock support. We understand that Intended Parents can't always meet or chat during business hours. Therefore, our support team is available 7 days a week including after business hours.

## From the beginning to the end and beyond, we will be there.
